Activity	Description	Supports learning in...	Teacher(s)
NEW Couch To 5K	An option for those of you who would like to get fitter and/or be able to run greater distances. This is suitable for those that may have little running experience or training. This is a proven programme to take you from struggling to get off your couch, to running 5 Kilometres.	Sport	Mrs Whitehurst
NEW Wellacre 'Pals' (History Squad)	Creating our own 'battalion' of Wellacre historians, we will work towards achieving Historic England Heritage Schools' Certificate through study of a local war memorial. We will also study famous 'History Mysteries' like Who was Jack the Ripper? And Why did Titanic sink?	History	Mrs O'Neill
NEW Young Enterprise (Pom Pom making, Sales and Marketing)	Learn how to make and create saleable Pom Poms, before learning as a team how to market the product ready to be sold at the Wellacre Creative Arts and Technology Summer Showcase in July. Students can develop their artistic and/or entrepreneurial skills through this project.	Business Studies Art	Ms Partridge
NEW Lego Challenge	STEM (Science, Technology, Engineering and Mathematics) project-based, hands-on learning with LEGO® Education to generate enthusiasm, creativity, and resilience.	Computing	Mrs Lunn
NEW Gapminder (Fighting global ignorance through statistics)	Find out remarkable facts and new perceptions of the world we live in through the study of fascinating statistics and infographics. See gapminder.org to find out more!	Maths Geography	Mr Sharrock

NEW Drama Society	Practise and develop theatrical skills. You will work towards putting a dramatic performance piece for the Wellacre Creative Arts and Technology Summer Showcase in July.	Drama	Mrs Tickle
NEW Lights and Sound	Learn and get hands on experience of the skills needed to design and manage the lighting and sound technology for on stage performances. You will get the opportunity to demonstrate these skills at awards nights at the Creative Arts and Technology Summer Showcase in July.	STEM Drama Music	Mr Nassau
Plastic Revolution	Hands on investigation on how to make the school more environmentally sustainable. Tackling environmental issues with real solutions. Working in conjunction with the Eco-Centre team on helping Wellacre achieve the Green Flag Award.	Geography Science	Mrs Doolan
Debating Society	Practise and perfect both public speaking and how to present arguments through debate. These skills will be put to the test through real debates and interviews with politicians. This term, interview John Bercow, Leader of the House of Commons.	English History RESPECT Citizenship	Mr Gillan
Go4Set (pre-selected students already involved in project)	Wellacre will be partnered with a local business and will take part in a special project incorporating STEM skills. This leads on to a regional competition and will involve at least one school trip.	Science Technology Engineering Mathematics	Mrs Siddall
Become a Published Author	Work on your creative writing skills with a view to the creation of a Wellacre Anthology. This will be published and available for purchase through Amazon from summer onwards.	English	Miss Warren
Keyboard Skills	An opportunity for budding musicians (beginners and intermediate) to learn the basics of how to play keyboard, or practise skills further.	Music	Mrs Spencer
Justice League	Be an active citizen! Find about some of the key social injustices and abuse of human rights in the world right now. Raise awareness in school and the local community through real-life campaigning based on students' ideas for change.	RESPECT Citizenship	Mrs Irwin

iDEA (Digital Duke of Edinburgh)	iDEA (Digital Duke of Edinburgh Award) gives you the chance to badge your brilliance by developing skills, gaining knowledge and learning information about the digital world. The modules (badges) also help you reinforce your understanding about subjects you might already know a bit about. Badges include, Cyberspies, Digital Ethics, Internet and The Web, Animation, Coding, Microbit , and Web Design. You build up credits to gain a Bronze Certificate awarded by Buckingham Palace.	Computing	Mrs Sherratt
Eco Centre	Work in the Eco Centre on various planting and horticultural projects, particularly helping prepare the Wellacre exhibit at the RHS Tatton Show in July.	Science Geography	Mrs Eagling Mr Asha
Architecture Design Challenge	Students will work on a challenge relating to architectural design. They will be working towards a CREST award. CREST Awards are challenging and thought provoking real-world STEM projects for young people of all ages. They inspire young people to think and behave like Scientists and Engineers. Year 7, 8 and 9 only.	Design Technology	Mr Carter
Boxing Skills	Learn basic boxing skills with our external provider. Suitable for beginners. Year 7 and 8 only.	Sport	Outside Provider and Wellacre PE staff
Beginners' Spanish	Discover the culture, tastes and language of Spain! This may be to supplement your Modern Foreign Language skills, you want to try new things, or to prepare for a sunny holiday abroad. Year 7 and 8 only.	MFL Food	Miss Bailey
Science STEM Club	Work on scientific Science, Technology, Engineering and Mathematics challenges. These challenges enable you to experience life as a Scientist.	Science Technology Engineering Mathematics	Mrs Pendleton Miss Lynch
Wellacre CCF (Cadets)	Wellacre Combined Cadet Force (CCF) will provide students with life-changing opportunities that few other extra-curricular activities can come close to competing with. You will quickly build important skills like		Mr Boswell Mr Wise Mr Duffy Mr Baker

	<p>teamwork, confidence and self-discipline, as well as having the opportunity to take on leadership roles. CCF offers you a chance to get to know a wide-range of people from across the school, and work together to take on new challenges. Whatever your academic ability, CCF can give you the chance to shine. ALL CURRENT MEMBERS OF CADETS WILL CONTINUE FOR SUMMER P6. (NEW APPLICANTS WELCOME FROM YEAR 9 ONLY). Year 9 and Year 10 only.</p>		
Wellacre Marvels	Budding artists and storytellers combine forces. Study the history and format of Marvel style comic-strip, before creating our own Wellacre comic.	Art English	Miss Flowers Miss Da Costa
Masterchef	Understand your ingredients, and improve your practical cookery skills. Each week, a different cooking skill/dish will be the focus - who will be the Year 7 Masterchef? Year 7 only (except Food subject leaders from Year 8/9 as directed by Miss Jones).	Food	Miss Jones
Jujitsu	Learn skills associated with this Japanese martial art and method of close combat. Year 9 and Year 10 only.	Sport	Mr Chisnall
Handball	Practise your sporting skills and competitive nature Year 7 and Year 8 only.	Sport	Mr Thompson
Tennis	Practise your sporting skills and competitive nature Year 9 and Year 10 only.	Sport	Mr Linton
Wood and Metal Craft	Create pieces of woodwork from wooden pallets and reusable metals. Learn and perfect the making and manufacturing skills required. Objects made will be on sale at the Creative Arts and Technology Wellacre Summer Showcase.	Technology	Mr Seggie
