

WELLACRE

September, 2018

Dear Parent/Carer,

At Wellacre Academy we recognise that the successful development of our students is dependent upon an effective partnership between the school, students and parents/carers. All parties share the responsibility for the development and achievement of each student and as such we are committed to ensuring that we agree to adhere to school procedures and policies, with this clear aim in mind.

Enclosed with this letter are copies of the Wellacre Home School Agreement and ICT Acceptable Use Policy. I would be grateful if both you and your son could read, sign and return both copies to your son's Achievement Tutor no later than Wednesday 10th October.

Whilst writing, I would like to take this opportunity to thank you for your support and look forward to hopefully celebrating your son's success at awards evening this year.

Yours sincerely,

Miss M Wicks
Principal
