

Conflict of Interest Policy

1. Introduction

- 1.1. This Policy sets out the Framework for ensuring that the decisions and decision-making processes at Wellacre Academy Trust are, and are seen to be, free from personal bias and do not unfairly favour any individual or company connected to the Trust.
- 1.2. Members, Trustees and Senior Employees of the Trust have an obligation to act in the best interests of the Trust and in accordance with its Articles of Association in order to avoid situations where there may be a conflict of interest.
- 1.3. Situations may arise where family interests or loyalties conflict with those of the Trust. They may create problems as they can inhibit free discussions, result in decisions or actions that are not in the interests of the Trust and risk the impression that the Trust has acted improperly.
- 1.4. The aim of this Policy is to ensure that:
 - a. Every Member, Trustee and Senior Employee understands what constitutes a conflict of interest and that they have a responsibility to identify and declare any conflicts that might arise.
 - b. Every potential conflict of interest is identified, prevented and recorded, ensuring that the conflict does not affect the decision-making of the Trust.

2. Definition

- 2.1. For the purpose of this document:
 - a. Members and Trustees are referred to as Trustees;
 - b. Wellacre Academy Trust is referred to as The Trust;
 - c. Students refers to all students being educated at Wellacre Academy

3. Legal Framework

- 3.1. This Policy takes its legal framework from the following legislation and statutory guidance:
 - a. Companies Act 2006;
 - b. Conflicts of Interest: A Guide for Charity Trustees;
 - c. The Academies Trust Handbook;
 - d. The Articles of Association of Wellacre Academy Trust.

4. What is a Conflict of Interest

- 4.1. The Trust adopts the definition of the Charity Commission which states that a Conflict of Interest is any situation where a Trustee or Senior Employee's personal interests or loyalties could, or could be seen, to prevent the Trustee or Senior Employee from making a decision in the best interests of the Trust.

4.2. Conflicts of interest usually arise in the following situations:

- a. Benefits to Trustees/Senior Employees - There is a potential financial or measurable benefit directly to a trustee or senior employee, or indirectly through a connected person. Examples of benefits are where the trustees or senior employees decide to:
 - sell, loan or lease Trust assets to a trustee or senior employee
 - acquire, borrow or lease assets from a trustee for the Trust
 - pay a trustee for carrying out their trustee role
 - pay a trustee for carrying out a separate paid post within the Trust, even if that trustee has recently resigned as a trustee
 - pay a trustee, or a person or company closely connected to a trustee or senior employee, for providing a service to the Trust. This covers anything that would be regarded as a service and includes legal, accountancy or consultancy services through to painting or decorating the trust's premises, or any other maintenance work
 - employ a trustee's or senior employee's spouse or other close relative at the Trust
 - make a grant to a trustee, or a person who is a close relative of a trustee
 - allow a trustee or senior employee to influence service provision to their exclusive advantage
- b. Conflict of Loyalty- a trustee's or senior employee's duty to the Trust may compete with a duty or loyalty they owe to another organisation or person. A conflict of loyalty could also arise where the religious, political or personal views could interfere with the ability of the trustee or senior employee to decide the issue only in the best interests of the Trust. For example, a trustee's or senior employees loyalty to the Trust could conflict with his or her loyalty to:
 - another organisation, such as their employer
 - another charity or trust of which they are a trustee/director
 - a member of their family
 - another connected person or organisation

The test is always that there is a conflict of interest if the trustee's or senior employees other interest could, or could be seen to, interfere with the trustee's or senior employees ability to decide the issue only in the best interests of the Trust.

5. Identifying the Conflict of Interest

- 5.1. Trustees and Senior Employees are expected to identify any conflicts of interest at an early stage.
- 5.2. A standard agenda item must be included at the beginning of each Board of Trustee and Trustee Committee Meetings to enable the declaration of any actual or potential conflicts of interest.
 - a. If a trustee is uncertain whether or not he or she is conflicted, he or she should err on the side of openness, declaring the issue and discussing it with the other trustees.
 - b. If a trustee is aware of an undeclared conflict of interest affecting another trustee, they should notify the other trustees or the Chair.
- 5.3. If a conflict of interest is identified outside of a meeting, the Trustee or Senior Employee must notify the conflict of interest to the relevant Clerk of the Board of Trustees.
- 5.4. On an annual basis, or when a Trustee or Senior Employee joins the Trust, a Register of Interest Form must be completed to enable the Register of Interest to be kept up to date.

6. Dealing with the Conflict of Interest

- 6.1. Trustees must consider the conflict of interest so that any potential effect on decision-making is eliminated.
- 6.2. Where available, legal or governing document requirements on how a conflict of interest must be handled is to be used, however, in serious cases, it can be decided that removing the conflict of interest itself is the most effective way of preventing it from affecting the decision-making.
- 6.3. Examples of Important legal or governing document requirements are:
 - a. Academies Trust Handbook
 - b. The Trust's Articles of Association
- 6.4. Serious conflicts of interest include, but are not limited to, those which:
 - a. Are so acute and extensive that the Trustee is unable to make their decisions in the best interest of the Trust, or could be seen to be unable to do so.
 - b. Are present in significant or high risk decisions of the Trustees.
 - c. Mean that effective decision-making is regularly undermined or cannot be managed in accordance with the required or best practice approach.
 - d. Are associated with inappropriate Trustee benefit.
- 6.5. **Benefits to Trustees/Senior Employees** - Where there is a proposed financial transaction between a Trustee/Senior Employee and the Trust, or any transaction of arrangement:
 - a. The benefit must be authorised in advance by the Trustee Resources Committee. If there is no Committee meeting planned within the time frame of authorisation being required, then the Chair of the Resources Committee and one other Resources Trustee can be contacted to authorise the benefit. If the person affected is the Chair of the Resource Committee then the Chair of the Trustees plus one other Resources Trustee must authorise the benefit.
 - b. The Trustees and local governing body expects the affected Trustee/Governor to be absent from any part of any meeting where the issue is discussed or decided.
 - c. The affected individual should not vote or be counted in deciding whether a meeting is quorate.

Conflicts of Loyalty - Where there is a conflict of loyalty and the affected Trustee does not stand to gain any benefit and there are no specific governing document or legal provisions about how the conflict of loyalty should be handled, the affected Trustee should declare the interest. The remainder of the Trustees must then decide what level of participation, if any, is acceptable on the part of the conflicted Trustee. The options might include, but are not limited to, deciding whether the conflicted Trustee:

- a. Having registered and fully declared the interest, can otherwise participate in the decision.
- b. Can stay in the meetings where the decision is discussed and made, but not participate.
- c. Should withdraw from the decision-making process in the way described above.
- d. If a conflict of interest is raised outside of a meeting and there is no meeting planned within the time frame of the conflict needing to be reviewed, the Chair of the Trust plus one other Trustee or Chair of Local Governors, plus one Governor, can be contacted to consider the conflict of interest and determine the resolution. If the person affected is the Chair of Local Governors then the Chair of the Trustees plus one other Trustee must consider the conflict of interest and determine the resolution. Where the Chair of the Trust is affected then a Member and one other Trustee must consider the conflict of interest

and determine the resolution. The resolutions must be recorded on the Conflict of Interest Log.

- 6.6. In deciding which course of action to take regarding a Conflict of Interest, Trustees:
- a. Must always make their decisions only in the best interest of the Trust
 - b. Should always protect the Trust's reputation and be aware of the impression that their actions and decisions may have on those outside the Trust.
 - c. Should always be able to demonstrate that they have made decisions in the best interest of the Trust and independently of any competing interest.
 - d. Should require the withdrawal of the affected Trustee from any decisions where the Trustee's other interest is relevant to a high risk or controversial Trustee decision or could, or be seen to, significantly affect the Trustee's decision-making at the Trust.
 - e. Can allow the Trustee to participate where the existence of the other interest poses a low risk to the decision-making in the Trust's interest, or is likely to only have an insignificant bearing on their approach to an issue.
 - f. Should be aware that the presence of a conflicted Trustee can affect trust, could inhibit free discussion, and might influence decision-making in some way.

7. Recording the Conflict of Interest

- 7.1. The Trust must keep a Register of Interests for the Members and Board of Trustees which must be published on their website. A Register of Interest for Senior Employees must also be kept. This Register of Interest must be kept up to date through regular review. A copy of the Register of Interest Form is available on Governorhub.
- 7.2. The Academies Trust Handbook 2020 covers what must be captured in the Register of Interest and what must be published on the website and is extracted below:
