Your attendance is slipping. You may have been ill. This is understandable but not without cost. You have a responsibility to work hard to catch up on missed work and to improve your attendance. You can improve your attendance by ensuring you do not take a full day off for medical appointments.

90 – 93%

Your attendance has fallen below the national average for students in secondary schools in England and has become a serious cause for concern. Any further absences will only be authorised if school receives medical evidence. Your parents will be at high risk of being issued with a Penalty Notice.

You have a responsibility to discuss anything that is affecting your attendance with your AT / HOH / AHOH / Y11 Progress Leader. You must now work hard to catch up on missed work and improve your attendance.

Your attendance is unacceptable and you are at risk of being identified as a Persistent Absentee (PA). Your education is at risk and you will not realise your potential, you will gain fewer qualifications and will be less likely to gain entry into further education, training or employment. Unless there are genuine reasons that are preventing you from attending school your parents will either receive a Penalty Notice or be prosecuted for your irregular attendance which will result in a criminal record.
