

**NOTE:** You do not need to use this worksheet. If you are using plain paper, the size is A5 (10.5 cm x 15 cm is near enough). You can fold an A4 page in half to get the right size. It is better to use drawing paper if you have it - see Mrs Larsen if you need some.

## Christmas Card Competition

It seems a bit early for thinking about Christmas doesn't it. However, Wellacre Academy needs a new design and it needs to be printed well before Christmas. This is your chance to have your design printed professionally and used by your school to send out to people all across Trafford and beyond.

**Materials:** Your choice. It could be paint, pencil crayon, collage, computer design (make sure you are not using any copyrighted material), etc. You could even arrange objects and take a photo. To do this you need to be able to take a good photo!

**Research:** It's always good to have a look at a few other before you start. This will help you develop your ideas. A great place to start is 'Etsy Christmas Cards'.

**Closing date:** End of term.

**Judge:**  
Miss Wicks
