

## Summer School Spending Details 2021

The aim of the programme is to deliver a short summer school, offering a blend of academic education and enrichment activities.

Our summer school programme allowed students to:

- build a community with their fellow pupils
- forge relationships with new teachers
- familiarise themselves with their new school environment

The academy is required to publish an overview of spending allocation for the summer school.

We assessed the effectiveness and enjoyment of our summer school programme by collecting feedback from students, parents and staff involved.

The total funding received and spent for summer school was **£13,800**.
