WELLACRE

WELCOME TO WELLACRE

INSPIRE • ACHIEVE • ENJOY

It is a great honour and privilege to lead Wellacre as Principal. This is a caring community with a commitment to excellence in all that we do. That dedication, along with a strong sense of belonging, means that every student who passes through our care is given the best opportunity to achieve their potential.

Wellacre is unique and distinct in character; being the only single sex school in Trafford for boys of all abilities. We tailor our resources, design our curriculum and offer strong pastoral care, so that every student can play a full and active part in school life.

Our values based, standards driven approach is underpinned by our vision for Wellacre: We work together to instil a sense of belonging for all so that every student thrives.

Based on this vision we truly believe the education we provide will **Inspire** our students to learn, empower them to **Achieve** their full potential whilst being able to **Enjoy** their time at school.

Mrs J Sharrock
Principal

“We work together to instil a sense of belonging
for all so that every student thrives.”

OUR VALUES

HONESTY

Be **honest** with ourselves and each other.

PRIDE

Be **proud** of our school, our uniform
and our attitude to learning.

RESPECT

Be **respectful** in what we do and say.

RESILIENCE

Be **resilient** when faced with challenges.

ASPIRATION

Aspire to excellence in all that we do.

At Wellacre, all students are taught to embrace our core values and exemplify them in their everyday life so that each individual leaves us as an optimistic, confident, articulate, well-rounded and resilient young adult who is fully prepared for the diverse and ever changing world around them.

To enhance student learning, wellbeing and sense of belonging, all students at Wellacre wear our uniform, emblazoned with the school crest which represents our values.

Our caring ethos is supported by our House system. There are three Houses; Pankhurst, Lowry and Turing. The House system provides all students with the opportunity to develop a sense of community and belonging through a range of academic, sporting and creative activities and competitions throughout the academic year.

The House system not only provides inclusive and supportive pastoral care but allows students' to develop their personal qualities, character and leadership skills.

“The teachers at Wellacre aspire to bring the best out of me in my lessons and in my interests outside of school.”

Wellacre Student

“There is a culture of sharing expert knowledge within Wellacre, carefully balanced with external expertise. Teaching staff seek to constantly update, develop and deepen their subject knowledge.”

Teacher Development Trust Review, 2023

INSPIRE

We inspire students to achieve and excel at Wellacre through our dedication to high standards. We have an expectation of excellence in all that we do and all that we ask of our students, including their attitudes to learning, their behaviour and the pride with which they act as ambassadors for our school. This is reinforced by staff who are committed to Wellacre and its values.

The Student Council inspires all our students to develop a voice. We have an abundance of inclusive student leadership opportunities to meet the needs and interests of a range of students through which they develop a strong sense of responsibility.

“A caring community with high expectations of behaviour.”

We invest in the vital partnership between school and home, promoting a mutual understanding and respect, whilst ensuring support and guidance are at the heart of the relationship.

“We are grateful for everything Wellacre does for our son, in particular with regards to the transition from primary school. He feels a sense of belonging that really seems to be helping him with his learning.”

Year 7 Parent/Carer

“At Wellacre, there is a passion for pupils’ personal development and their preparations for life in modern Britain.”

ACHIEVE

Achievement for all students, through a rounded and inclusive approach, is paramount. We ensure that students who are talented in all areas including music, art, and drama are encouraged as well as those with particular strengths and interests in English, Maths, Sport, Science and Technology. Students with special educational needs are empowered and encouraged to succeed and reach their potential; they play a full and active part in school life.

We invest in our sporting facilities and benefit from extensive grounds for recreation and competition. Our library is well stocked with a good range of genres to challenge all students, including any reluctant readers and those with dyslexia. Our award winning Ecology centre gives our students access to outdoor learning, Forest School and wide ranging co-curricular opportunities. Our brand new Food and Nutrition kitchen and our Construction and Engineering workshops are thriving.

A young boy with light brown hair, wearing a blue school blazer, white shirt, and a red, white, and blue striped tie, is smiling at the camera. He is standing outdoors on a grassy area. In the background, other students in similar uniforms are visible, some looking down at books or papers. A red semi-transparent box is overlaid on the lower left of the image, containing white text.

“At Wellacre, the sense of community and friendship are what makes it such a good place. There is excellent support, which encourages students to feel comfortable to express themselves and achieve their goals no matter what.”

Year 11 Senior Prefect

“At Wellacre everyone is so kind and caring. I feel welcome every single day that I walk through the blue gates.”

Year 7 student

“Student experiences are enriched through opportunities to help others.”

ENJOY

At Wellacre, our students are happy and eager to learn, build new friendships and take full advantage of everything we have to offer. There are many ways for them to take part in enrichment activities in and out of the classroom - to embed learning and to build character. These include visits to universities and field work centres, trips overseas, opportunities to meet inspirational role models and sporting heroes, participation in school productions and arts events and the opportunity to help in the community and raise funds for local charities.

Our Co-Curricular options provide meaningful opportunities for all students to enhance cultural capital,

contribute to our local community and develop skills or knowledge beyond the taught curriculum. These include the Politics Project, Mindfulness, Book Club, Chess, RHS Flower Show, STEM Club, Drama, Teen Mates at De Brook Lodge Care Home and the Combined Cadet Force (CCF).

Sporting endeavour is important to us at Wellacre - both in terms of effort and achievement. Participation in sport can lead to a better understanding of teamwork, develops resilience and builds character. An active lifestyle, complemented by our healthy canteen menu options, plays an important part in our whole school approach to wellbeing.

JOIN US!

Wellacre is committed to maintaining a thriving school environment which is safe, welcoming and inclusive. We strive for excellence in all that we do. Mutually respectful relationships, high expectations of behaviour and an ambitious curriculum are at the heart of our community.

Your son will matter to us, he will be cared for and motivated to embody our core values of honesty, pride, respect, aspiration and resilience.

Join us at Wellacre where our ethos of Inspire - Achieve - Enjoy drives all that we do and all that we are. We passionately believe we will 'bring out the best' in your child.

“Wearing the Wellacre uniform makes me feel part of the Wellacre family because everyone wears it. It makes me feel part of a thriving community.”
