

WORKING IN PARTNERSHIP AT WELLACRE

At Wellacre Academy we recognise that our students thrive when there is an effective partnership between the school, students and parents/carers. All three parties share responsibility for the development and achievements of each student. Together, we commit ourselves to the following:

The School will:	As Parent/Carer, I/We will:	As a Student, I will:
Establish a safe, supportive and caring environment. Ensure your child has the opportunity to reach their full potential as a valued member of the school community. Set independent learning for your child in order to develop and consolidate their knowledge and understanding Expect high standards of work and behaviour, set through clear rules, promote mutual respect and promote a sense of responsibility and community. Keep you informed about school matters, in particular about your child's progress, attendance, behaviour and punctuality. Offer opportunities for your child to become actively involved in the life of the school and the wider community. Recognise good progress, behaviour, attendance and Attitude to Learning. Offer a wide variety of Co-Curricular activities. Treat everyone with respect and apply our key expectations of 'Ready, Respectful, Safe'.	Ensure that my child attends school every day, on time and will inform the school of any absences. Inform the school about any concerns or issues that might affect my child's work or behaviour. Support the school's staff by being respectful at all times and complying with the Code of Conduct for parents/carers and visitors to the school. Support the school's policies Support my child with their independent learning and personal organisation. Encourage my child to work hard and be resilient.
