

If you have not been allocated a place at Wellacre Academy in 2026 you can;

1. **Contact Trafford Admissions directly via email at school.admissions@trafford.gov.uk and request a place at Wellacre.** This should be allocated as long as the maximum number of places allocated each year has not been met. If it is not, you can contact Wellacre directly for advice.
2. **You may also choose to appeal against the decision not to allocate your child a place.**

If you are choosing to appeal against the decision, you must lodge your intention to do so directly to The Principal at Wellacre Academy.

You can do this via email: admin@wellacre.org or if you do not have email access, by telephone on **0161 748 5011**

When lodging your intention to appeal, please ensure you provide the following details:

- *Child's name*
- *Child's date of birth*
- *Child's current school*
