

## **School Uniform Policy**

### **Introduction**

It is our policy that all students in Year 7 to Year 11 should wear a school uniform when attending school, or when participating in a school-organised event outside normal school hours, unless exempted from doing so by the Principal on designated days. We provide a complete list of the items needed for school uniform on our website. Effective teaching and learning requires organisation, and this starts with a smart and tidy appearance which helps to instill a sense of belonging and pride in students' appearance.

This policy reflects non-statutory guidance which helps support schools in developing and implementing their school uniform policy, alongside the statutory guidance on the cost of school uniforms.

### **Aims and objectives**

Our policy is based on the notion that a school uniform;

- promotes a sense of identity and pride for students attending the school;
- engenders a feeling of community and belonging;
- is practical and smart;
- makes students feel equal to their peers in terms of appearance;
- is regarded as suitable and good value for money by most parents;
- sets an appropriate tone for education.

### **Roles and Responsibilities**

#### **The Governing Body**

- Monitors and reviews the school uniform policy.
- Seeks the views of parents to ensure they agree with and support the policy.
- Requires the Principal to report to the Governing body on the implementation of the policy

## **Principal**

- To implement and monitor the policy on a day-to-day basis.
- Has overall responsibility for ensuring standards are maintained.
- Is responsible, along with the relevant Head of House, for any disciplinary measures required for failing to follow the uniform rules and will contact parents/carers as required.
- Considers any requests from parents for special dispensation with regard to uniform.

## **Staff**

- Support the Leadership Team in maintaining high standards of uniform dress.
- Are role models in the wearing of appropriate clothing.
- Make discreet and sympathetic enquiries when students fail to wear the correct school uniform.
- Are aware of students whose standard of dress may indicate care issues at home and report concerns to the appropriate persons (see Safeguarding and Child Protection Policy).
- Give positive encouragement to students setting good examples of dress.

## **Parents/Carers**

- Support the School Uniform Policy.
- Ensure their students are appropriately dressed, wearing the correct uniform and are ready to learn.
- Ensure that they keep their son's school uniform clean and in good condition.

## **Students**

- Wear the correct school uniform when attending school, representing the school, or when participating in a school-organised event outside normal school hours.
- Wear their uniform with pride.
- Keep their uniform clean and tidy.
- Remember to bring a PE kit on the correct days.

### **PE Clothing**

Students must wear our **branded PE kit**:

- Royal blue Wellacre shorts
- Royal blue Wellacre socks
- Wellacre fleece for colder days (**optional**)
- Dark blue or black base layers (**optional**)
- Trainers
- Football boots (**optional**)

All students are required to change for PE, even if they are unable to participate in the practical session. Students must not take part in any PE activity wearing inappropriate footwear. Muddy boots or shoes must be removed before entering the school premises.

We are committed to supporting families for whom uniform purchase may be challenging. The school works hard to maintain a stock of reused/recycled uniform through seeking regular donations from parents/carers. This is available for parents/carers who may need support. Parents/carers should contact the school office, the Director of Transition or the student's Head of House for more details

We also hold a Preloved uniform event during Y7 Summer School in August where items of uniform are available for a small donation.

## Guidelines

- It is expected that all students wear the school uniform each school day with the appropriate footwear.
- The school Transition booklet and website provides parents/carers with more details of the uniform and suppliers of items with the school crest and logo.
- If a student attends not wearing the correct uniform, we will provide it for the day via the school office. **Students are expected to wear the clean uniform provided in the absence of attending school in their own uniform. If they refuse, they will have to complete their learning for the day in The Hub, in Reflection.**
- Failure to wear the correct uniform is identified as a persistent issue, parents/carers will be contacted (see Appendix A).
- If a student arrives at school wearing an incorrect uniform with communication from parents/carers, the missing item will be provided by the school for them to wear, with the expectation that the issue will be resolved the following day. If the school does not have the missing item available, a note will be issued to the student for that day only.
- Students are responsible for taking care of their own school uniform and that borrowed from school. Borrowed uniform items must be returned promptly, clean and in good repair. We may charge for items of uniform that are borrowed and not returned after suitable reminders.
- Students who repeatedly come to school without the correct school uniform may be sent home to change, with their parent/carer's consent, or be placed in Reflection in The Hub.

## Jewellery, piercings, extreme haircuts/colours, tattoos

For Health and Safety reasons students are not allowed to wear jewellery (including piercings) in school or on their way to and from school whilst in school uniform. The only exception to this rule is a watch. The watch should be functional and practical, not an expensive 'fashion item'. In line with our mobile device policy, the watch must not be a smart watch.

The school does not permit students to have extreme haircuts and hair colours that do not meet our high expectations. Parents should also be aware that tattoos are not permitted.

## Footwear

School shoes are required and not trainers. School shoes are usually black leather or similar polishable materials. Items from sportswear brands are deemed trainers and not permissible as formal school shoes, even if they are 'all black'. Canvas shoes or plimsolls are not considered suitable, durable or smart enough to be a shoe. If the sole is made of soft, "bouncy" foam or has a white/coloured trim, it will be classified as a trainer.

Students wearing trainers (other than for play at breaktimes and for PE lessons) will be told to

change back into their school shoes. Suitable school shoes, in good condition, will always be offered as an alternative if the students do not have shoes with them. Students will be expected to wear them.

If parents/carers are in any doubt as to what constitutes an acceptable school shoe, they are encouraged to contact us to seek advice before any purchases are made.

### **Student non-compliance**

The Principal has the legal authority to deal with students not wearing the correct school uniform. It is our intention to explore all avenues, through consultation and discussion with parents/carers, to enable all students to comply. Our Working in Partnership agreement expects our parents and carers to support our policies. In extreme cases, a student could be suspended for persistently failing to wear the school uniform but we will always work to a resolution to avoid this.

If a student arrives at school not wearing the correct uniform, school will endeavour to find the cause and remedy the situation. A letter will be sent home to parents (see Appendix A). Should the problem persist, parents/carers may be invited into school to discuss the situation.

We will make reasonable adjustments to the uniform expectations and communicate this to parents through Arbor, for example extreme heat may result in a change to PE kit.

### **Help with Cost**

If any parent/carer cannot provide their child with the school uniform because they cannot afford it, financial help may be available. School uniform may include clothes for PE. The parent/carer should initially contact [admin@wellacre.org](mailto:admin@wellacre.org)

### **Lost Property**

Any unidentified items of school uniform will be placed in boxes in the Lost Property at the main school office. Students are encouraged to look in these boxes to reclaim lost property on the understanding that the found item will be clearly named.

### **Other Relevant Policies**

Child Protection Policy, Equal Opportunities Policy, Behaviour for Learning Policy, Health and Safety Policy.

Dear Parent/Carer

### PE Kit

I am writing to inform you that on several occasions, your son has failed to bring his PE kit to lessons. Despite being given several reminders the matter is still not resolved. Please ensure your son has a PE kit in school on the following days:

**Students who are injured or are unwell are still required to bring in their full PE kit along with an explanatory note to excuse them from participating.**

This will enable them to assist in officiating, coaching and supporting others in the lesson. It will also ensure that your son fulfills the PE curriculum expectations and means that your son will not get their uniform wet, dirty or possibly damaged, whilst helping out in the lesson. On no account will your son be expected to participate in the practical element of the lesson.

Your assistance in this matter is much appreciated.

Yours sincerely,

**Mr R Linton  
Leader of PE**
