

Privacy Notice for Visitors and Contractors

Introduction

This privacy notice describes how we collect and use personal information about you during and after your visit with us, in accordance with the UK General Data Protection Regulation (UK GDPR).

Following Brexit, Regulation (EU) 2016/679, General Data Protection Regulation (GDPR) is retained EU law and known as UK GDPR. The UK GDPR sits alongside an amended version of the Data Protection Act 2018 that relate to general personal data processing, powers of the Information Commissioner and sanctions and enforcement. The GDPR as it continues to apply in the EU is known as EU GDPR.

This notice applies to all current and former visitors and contractors.

Who Collects this Information

Wellacre Academy is a “data controller.” This means that we are responsible for deciding how we hold and use personal information about you. We are required under data protection legislation to notify you of the information contained in this privacy notice.

This notice does not form part of a contract to provide services and we may update this notice at any time.

It is important that you read this notice, with any other policies mentioned within this privacy notice, so you understand how we are processing your information and the procedures we take to protect your personal data.

We are required to ensure that appropriate safeguards are in place when using automated decision making for significant decisions and the circumstances in which we are permitted to use special category data (sensitive information) in automated decision making are limited.

You will not be subject to automated decision making for significant decisions unless we have a lawful basis, and a valid condition where required, for doing so and appropriate safeguards are in place. Appropriate safeguards include informing the relevant individuals about the automated decision making and their rights to request a human review, express their views, and contest the decision.
